## The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

## Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

## Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

## Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

## The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

### Alma Mater

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafted to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

### The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

# HONORARY DEGREE RECIPIENT

## THE HONORABLE MORRIS S. ARNOLD

Honorary Degree of Laws, LL. D

Morris S. Arnold was born in Texarkana, Texas. He attended the University of Arkansas, first as an undergraduate, receiving a bachelor's degree in electrical engineering, then in the School of Law, where he earned his LL. D. degree, graduating first in his class. He also served as editor-in-chief of the Arkansas Law Review.

Judge Arnold continued his education at Yale University, Harvard Law School and the University of London. He later taught at several American law schools, including the University of Arkansas at Little Rock, Indiana University, Harvard University, Stanford University and the University of Michigan. He was a professor of law and history at the University of Pennsylvania, where he also served as a vice president of the university.

Judge Arnold was appointed to the U.S. District Court, Western District of Arkansas in 1985, where he served for seven years. He was appointed to the United States Court of Appeals for the Eighth Circuit in 1992. Last year, the Chief Justice of the United States designated him to sit on the Foreign Intelligence Surveillance Act Court of Review.

Judge Arnold has written almost 1,000 opinions during his career and has developed a national reputation for his thoughtful and careful opinions.

Judge Arnold is a former president of the American Society for Legal History. He has published eight books and numerous articles, mostly on the subject of legal history and the history of colonial Arkansas. His most recent book, *The Rumble of a Distant Drum: The Quapaws and Old World Newcomers, 1673-1804*, was published by the University of Arkansas Press and won the Worthen Literary Prize and the Ragsdale Prize. He was awarded the Porter Literary Prize for his body of work, principally his three books on colonial Arkansas.

In 1994, the French government named him a Chevalier de l'Ordre des Palmes Académiques for his work on eighteenth-century Louisiana.

## JOHNELLE DEBUSK HUNT

Honorary Degree of Humane Letters, L.H.D.

Johnelle Hunt, from Heber Springs, is credited with helping her husband, J. B. Hunt, build one of the largest publicly traded trucking companies in North America. They began working as a business team in Stuttgart in 1961 with the founding of the J.B. Hunt Company, which processed and sold rice hulls to farmers for poultry litter. As the company grew, the couple developed a great synergy: he was the entrepreneur and salesman; she was the organizer, manager and tough businesswoman who made sure the debts were collected and the bills were paid.

In 1969, the couple started J.B. Hunt Transport Services Inc., in Lowell with five trucks and seven refrigerator trailers. The company now employs some 16,000 people. Mrs. Hunt recently retired from the company's board of directors.

In 1972, the Hunts moved to northwest Arkansas. As their business prospered Johnelle and J.B. Hunt always found the time and resources to give back to their community, beginning when they co-founded the Alexis de Tocqueville Society of the United Way of Washington County United Way chapter. Hunt has led or served on numerous state, university and philanthropic organizations, including the Arkansas Economic Development Commission, the Susan G. Komen Foundation and the university's Campaign for the Twenty-First Century. She and her husband were instrumental in the creation of the J.B. Hunt Transport Services Inc. Center for Academic Excellence at the University of Arkansas.

Hunt has received many honors for her work over the years: She was named to the Arkansas Business Hall of Fame, received the Eagle Award for Outstanding Health Leadership from the Washington Regional Foundation, and in 2008 was recognized as Volunteer of the Year by the University of Arkansas.
